### **July Meeting**

For those of you who are new Lions, our July general membership meeting differs from our usual meeting in that we have a cook-out or other more informal type of meeting. This year our new president, PDG Larry Butler and his partner-in-service, Rita, will host a brat cook-out at the Butler's Almost A Ranch. Please RSVP to Larry before 7/21/08 so he can order enough food. Larry's phone number is 715-778-5733, e-mail [butlerad@svtel.net](mailto:butlerad@svtel.net).

### **New Address**

Lion Ed McManus and his wife Cindy are on the way to their new home in Missouri. The new address is 24 Winding Woods Rd, Lake Ozark, MO 65049-3119. Ed's cell ph is 715-797-3701, Cindy's is 715-797-3755. Wishing them the best on this new adventure.

### **Polka Fest**

This is one of our major fundraisers. IPP Steve Hinck and the members of the Polka Fest Committee are hard at work getting ready for "the event". If you haven't signed up to work yet, please give Steve a call at 273-3242.

### **Paparazzi?**

I thought we had the local paparazzi at our recent lion events. There Lion Eileen was, camera in hand, everywhere you turned. Nowhere was safe! Lion Eileen assured me, however, that she's not trying to dig up lions dirt (not much anyway), she's our new historian! Keep up the good work Lion Eileen.

## Congratulations

During our June membership meeting our new officers and board members were inducted by PDG Dan Gaeu. Also, various awards were given out by Pres Steve Hinck including
